## OBJECTIVE

---

To obtain a Trainee Software Developer position where I can leverage my foundational knowledge in programming, problem-solving, and software development to contribute to impactful projects, enhance my technical expertise, and grow into a proficient software professional. Committed to continuous learning and delivering innovative solutions to meet organizational goals.

## TECHNICAL SKILLS

---

- **Programming Languages:** Python, SQL
- **Web Development:** Skilled in creating responsive web pages using HTML and CSS
- **Data Science:** Visualization, Analysis, Analytics, Preprocessing
- **Machine Learning, Artificial Intelligence**
- **Networking & Security:** Understanding of TCP/IP protocols and firewall
- **Tools:** Experience with tools like VS Code, Jupyter Notebook, Sublime Text, Git

## EDUCATION

---

- **Bachelor of Technology (CSE – Data Science)** **CGPA: 7.92**  
Pragati Engineering College (2021-2024)
- **Diploma in Computer Engineering** **Percentage: 78**  
Andhra Polytechnic(2018-2021)
- **Secondary Education** **GPA: 8.7**  
P. R. G. High School (2017-2018)

## TRAINING AND CERTIFICATIONS

---

- **Networking Virtual Internship** – Juniper Networks | EduSkills May – Jul 2023
- **Web Development Internship** – Krify software technologies Sep 2020 – Mar 2021
- **Python for Data Science** – NPTEL
- **Azure AI Fundamentals** – Microsoft

## PROJECTS AND EXTRACURRICULARS

---

- **AI-Assisted Search for Missing Children | Django, MySQL, ML, HTML**  
The project is designed to streamline the process of locating missing children by managing records on a centralized database that includes images. By leveraging AI and machine learning algorithms, the system can analyze and compare images to assist in identifying and finding missing children.
- **Portfolio | Javascript, HTML, CSS, Bootstrap**  
Created a personal portfolio using HTML, CSS, and JavaScript to showcase my achievements, education, and talents, providing a professional and organized display of my skills and experiences.
- **Best National Cadet Corps (NCC) Cadet at School Level and Cadets Captain (CC).**
- **Selected as Vice President of the AR/VR Industry 4.0 Club, leading projects and initiatives in AR/VR**

## HOBBIES

---

## LANGUAGES

---

- **Photography**
- **Event Management and Decoration**
- **Travelling**
- **English**
- **Telugu (Native)**
